Plaintiff's counsel does not oppose this request. There does not appear to be any remaining

disagreement about deadlines, and the schedule appears to be complete subject to the Court's

calendar for Pre-Trial Conference and a one-day mini-trial.

"I, Rick Yeager, represent to the Court that it would be a personal hardship to leave Austin

next week due to unresolved immediate post-trial issues in another personal legal matter pending in

Austin, and the likelihood that further proceedings will be required on short notice. I am the sole

attorney in Austin and lead counsel in the present case, without backup attorney(s)."
